Wait until after dinner then go upstairs!
You must be hungry, right?
I don't feel like eating

Hmm.

Shall we go to the cinema
사랑이

Dad
I'm coming in.
I didn't say you could come in.
I know.

I'll just leave this and go
MILK
Ajumma made these for you, she said you like sandwiches Try to fill up before you sleep
Okay, I did what I wanted. I'll leave now
You know, I don't want to leave, but just ask if you need anything. I'll hear you out without complaining

Hff
.....

"Sobbing"

I ended up embarrassing myself
MILK
I keep thinking about it

Shojo Attractive Scene
"Sobbing"
Cheon Dong needed to cry
When I picture his face my nose tingles and chest hurts
It would be nice if I were the only person to see Cheon Dong's tears
No
I want to become his strength when he's tired and struggling

Let's both become his strength!
Did you sleep well?
So-so.

Shojo Attention Scene
I enjoyed the sandwich yesterday
You really ate it? I didn't think you would eat.
!
I thought it was a waste to throw it out, so I ate it. Why are you happy when you aren't the one who did it? Weirdo.

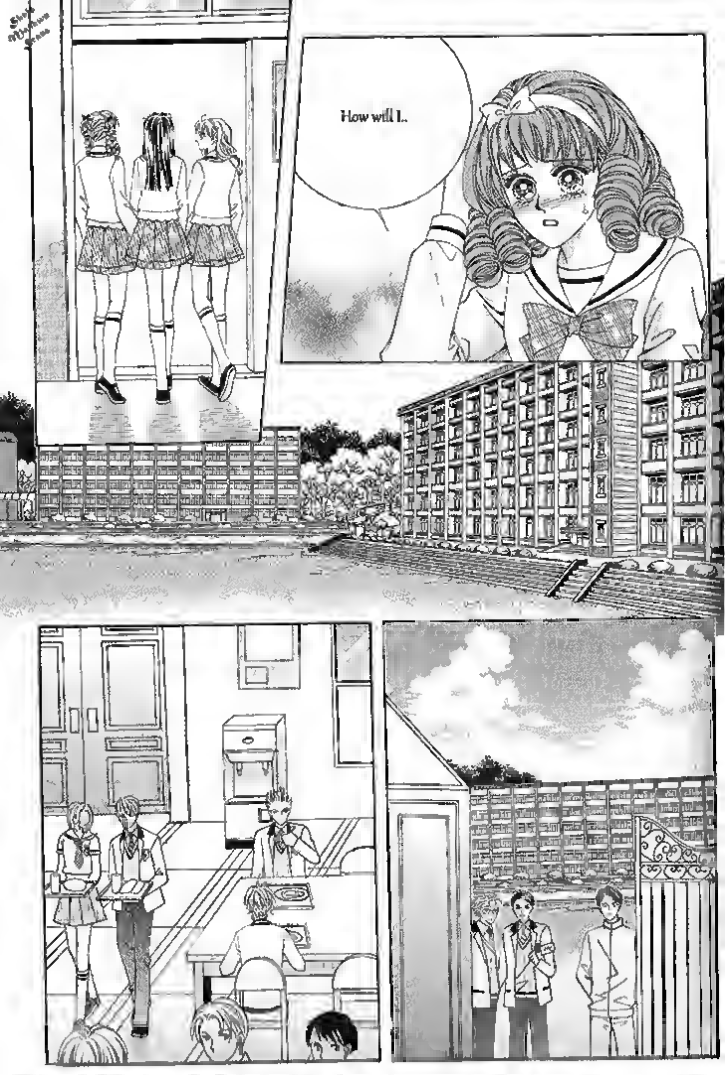
Even though it probably still hurts inside, at least his external wounds are healing.
3 - 7
Wow~ It turned out so pretty~

You covered 5 pages in this issue? That's amazing
I'll also be on "W" next month.
Wow! So lucky!
I don't know about the other guys, but of course I won't act like I don't know you Shin hae~ How can I do that to my sister in-law? We're a family~
Sister in law?
Just because you're becoming famous doesn't mean you can act like you don't know us.
Set me up on a blind date with your brother.

My brother?
Yup! You can set everything up for me. This time I'm going to express all my feelings to him.
My brother probably won't do it...
You still haven't given up?
How would you know without asking him? Call him and ask him--!
Now..?
Yeah, now. Right now.
I'll definitely just get yelled at

Rrrr-
Rrrr-
Who's this?
It's me, Shin-Hae
Is this your number?
I told you to save my number before
What do you want? Get it over with quickly
Oppa, do you want to go on a blind date? See there's this really pretty girl I know...
Shut up, idiot!

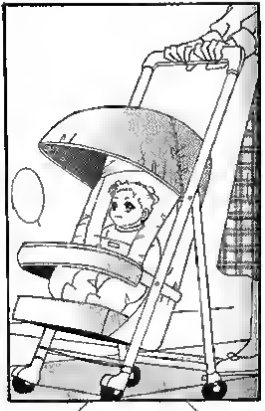
BEEP
What did he say? When does he want to meet me?
He hung up on me.
Hmph.
He's probably busy or didn't do his homework. You can still get hold of him since you're his sister.
You're definitely setting us up this weekend.
Huh?



How will I..

Someone might come. Hurry up~
휙
Mmm~ So good!
I knew it! Sneaking out to eat lunch is as sweet as honey!
It's better than honey!

What do we have next period?
Physics.
Don't we have exams soon? Damn it.



Such a cute baby-
She has a pretty face
He he, thank you.

How old is she?
She's 8 months.
You should introduce her to Tuna.
Why would I do that?
Those bastards Tuna is too good for her
Well, I'd consider it if she was born from a couple like Go So-Young and Jang Dong-Gun.
Hey! That's a pretty awesome pushchair!

How much did this cost?
It was pretty expensive, about 60,000 won.
That much?!
They say that between mothers, a pushchair is their pride
Kinda like men with their cars.
How did you know that?
I learned about it in drama.
A pram is a mother's pride?
Now that I think about it she doesn't even have a pram

Hmm...
Alright, I'll try pestering him, just this once.
Who said you could come in here? Piss off
Oppa, I need to tell you something

Since oppa doesn't have a girlfriend, why not go on a blind date with my friend Hee-Jae on Saturday~

GET OUT!
KYA!

Will it kill you to meet her just once?
Hello?

You're such an annoying bitch!

At the front of the house?
Yes, I'll be there soon!

MOVE OUT OF THE WAY!
I really need him to meet her.

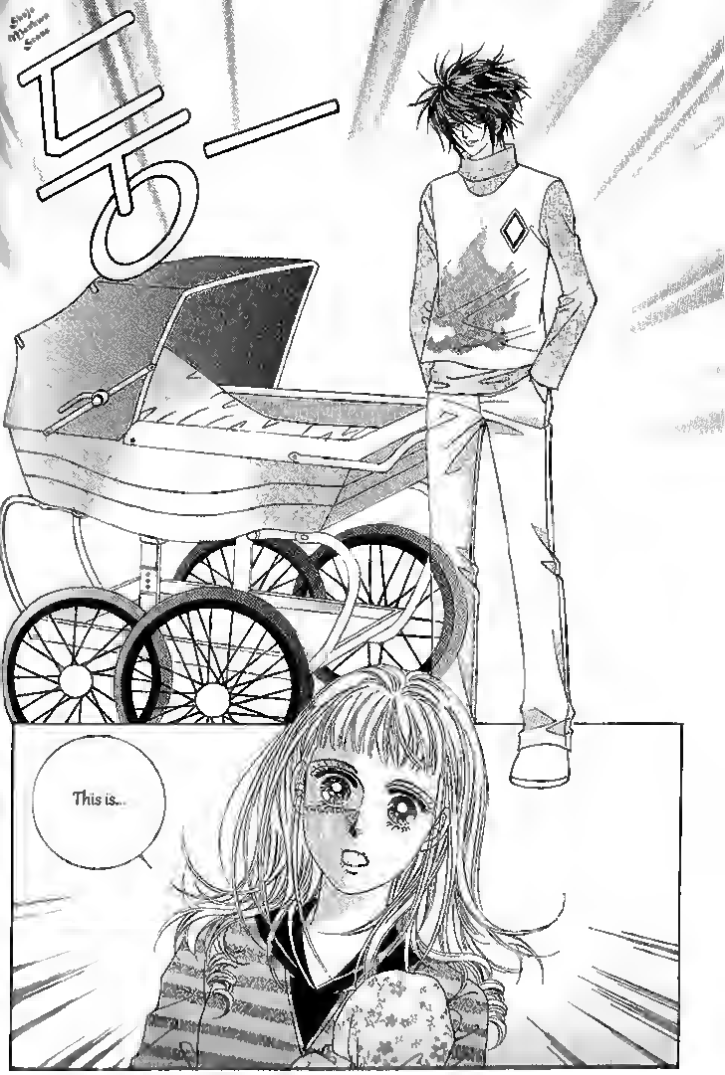
Ahem
Why are you doing the dishes instead of Ayumma?
Mah Cheon-Doong!

Just leave these and take Yuna for a walk.
A walk?
He doesn't need to go out. Besides, Geum-Dong just fell asleep
So he does have a soft side

Hey, let's go out.

Why is Geum-Dong awake?
"Mummy, I wanna go outside~"
Even he wants to go for a walk.
Now there's nothing to stop him going out, right?
Why a walk all of a sudden...

Shall Objective Scene
You're acting weird. Why do you keep insisting we go outside?
Why are you asking me when Tuna's the one who wants to go out? Just hurry up
But I have a lot of things to do...



Story of Inchoon Scene
